Helping Women Get Involved

100 young philanthropists between the ages of 22 and 39 will have the opportunity to become members of the WGC at a reduced rate: The normal annual donation of \$250 will be reduced to \$150 for three years. Membership will be \$250 annually after those three years or when a new member turns 40. This gives you an opportunity to make an impact on the lives of women and children in Eau Claire today.

## Benefits of becoming part of the Women's Giving Circle

- Learn more about the needs of women and children in the Eau Claire community
- Create a network and socialize with individuals who have shared values and concerns
- Identify barriers that prevent women and children from achieving their hopes and dreams
- Be part of a dynamic and inclusive group of women who combine their resources to achieve far greater philanthropic impact

This opportunity is exclusively available to new members.

This offer will go to the first 100 women who apply.

I am between the ages of 22-39 and would like to pledge \$150 annually for 3 years.
