

# The Legacy Lives on

Dear Friend,

2016 was an important year for the Children's Legacy Luncheon: It marked the Luncheon's 15th and final year. At this milestone celebration, we recognized the 85 previous Outstanding Achievement Award Honorees as well as six deserving new ones. The Anniversary also gave us the opportunity to thank our many sponsors for their past years of support.

During its 15 years, the Children's Legacy Luncheon succeeded in its mission of making profound and lasting contributions to the health and welfare of children. Since inception, the Luncheon has distributed over \$65,000 in grants to projects that enhance the well-being of local children, and the Endowment Fund has grown to almost \$100,000.

Without each and every one of you, these achievements would not have been possible. You've demonstrated your commitment to youth welfare. Now it's up to you and generous donors like you to keep the Legacy alive as the Foundation goes on to focus its resources on other pressing community needs.

With your support, the Children's Legacy Endowment will live on through annual grants supporting local initiatives on behalf of children. These grants will be distributed every year in April through the grant process, and Grantees will receive special recognition.

The Foundation's goal is to increase the Endowment to \$125,000! You can help us reach this goal through a gift to the Endowment, which can be in honor of any or all of the Honorees on the enclosed list. Although this is a one-time appeal, you're free to contribute as much and as often as you like in order to sustain future granting.

Though the event itself will not continue, the positive impact on the lives of children will live on through your generous support to the Children's Legacy Endowment. For Good. For Eau Claire. For Ever.

Sincerely,

*Mark Faanes*

Mark Faanes, Chair  
Eau Claire Community Foundation
