# THE MISSION

of the ECPD Junior Police Academy is to enrich our agency's connections with

the children of Eau Claire and foster lasting partnerships to motivate children to become responsible citizens.

The ECPD Junior Police Academy is designed to provide a comfortable setting allowing officers and youth to interact in a way where officers can be seen as people. This allows us to transform the traditional role of an officer into one of a mentor, neighbor, role model and friend.

Students will learn the concepts of Problem Oriented and Community Oriented Policing strategies, as well as the role of law enforcement with interactive technical instruction.

## COURSE INFORMATION

One week, Monday-Friday, 8am -12pm  
Open to children ages 12-17

**FREE!**

## HANDS ON TRAINING

- What it takes to be a Police Officer
