

WITH YOUR HELP,  
WE CAN MAKE A DIRECT IMPACT  
ON THE COMMUNITIES WE SERVE.

OVER \$285,300 DONATED TO VARIOUS LOCAL ORGANIZATIONS

# EMPLOYEE IMPACT FUND MISSION

*Inspiring hope and  
contributing to the well being  
of our communities by adding  
value to everything we do.*

Throughout the year, the EIF promotes fundraising programs and events to raise money for the fund, which will be distributed to numerous local organizations. These organizations are recommended by our employees, reviewed by the Impact Fund Committee and approved by Market & Johnson's Board of Directors and the Board of Trustees of the Eau Claire Community Foundation.

The M&J Employee Impact Fund will be managed and distributed through the Eau Claire Community Foundation. When you make a contribution to the Impact Fund, you benefit by getting a charitable tax deduction on your income taxes. In addition, organizations in our communities gain a tremendous benefit from the programs and services that you support. Your donation will have a direct impact on enriching the communities we serve and can truly make a difference in the lives of others.

Market & Johnson is committed to the communities we serve. In fact, M&J has always encouraged its employees to become personally involved in the communities where they live and work. Hundreds of hours annually are spent with groups such as Big Brothers Big Sisters, area rotary clubs, chambers of commerce, university foundations, and many others.

Now, to better serve our communities, we have established the M&J Employee Impact Fund (EIF), a fund at the Eau Claire Community Foundation. The EIF was established by Market & Johnson as a tax deductible option for contributions for our employees that support organizations in the communities where we live and work. Market & Johnson matches 50% of employee contributions.
