### Message from Angela, WGC Chair *A Culture of Giving*

*As I wrap up my time as Circle Advisory Team Chair, I'm filled with gratitude for the Women's Giving Circle and the incredible community we've built together. This past year has shown me, again and again, how powerful it is when women come together with purpose. We listened, learned, and gave generously—strengthening nonprofits that are making a real difference in the Chippewa Valley.*

*What makes our Circle special is more than the dollars we grant. It's the culture of giving we've created: one rooted in compassion, collaboration, and a shared belief that our community thrives when we support one another.*

*My hope as I step out of this role is simple—that the lasting impact of our work continues to be felt across our community. The connections we've made, the organizations we've supported, and the spirit of generosity we've nurtured will carry forward long after any one term of leadership ends.*

*Thank you for the honor of serving and for all you do to uplift women, nonprofits, and the people of the Chippewa Valley. Our best work is still ahead.*

With gratitude,

*Angela*

# Annual Meeting Recap

The WGC Annual Meeting was held on Nov. 3 at Wild Ridge. During the meeting, we heard from our 2025 Circle Advisory Team (CAT) Chairs, who shared their committees' accomplishments over the past year.

Members also voted to approve the recommended grant recipients, awarding **\$47,169** in local community grants to support women and children in the greater Eau Claire area.

The meeting was a wonderful opportunity for members to reflect on this year's impact and learn more about what's ahead in 2026.

Thank you

## Gift of Giving Breakfast Recap

On Dec. 2, our Gift of Giving Breakfast brought community members together for a warm morning of connection, good food and updates from our 2024 WGC grant recipients. Guests heard how WGC funding supported camp experiences and mentoring for youth at Big Brothers Big Sisters of NW Wisconsin; summer programs and Lemonade Day at the Boys & Girls Club; expanded access to learning through play at the Children's Museum; engaging history exhibits at the Chippewa Valley Museum; Books for Babies and translated literacy materials from the Friends of the L.E. Phillips Memorial Public Library; and financial literacy education through Junior Achievement of Wisconsin.

It was a powerful reminder of how WGC grants are turning generosity into real change for women, children and families in our community.
