

Women's Giving Circle Founders

The dream of the Women's Giving Circle became a reality in 2007, when a group of women came together to make a collective impact on the community far greater than most individuals could achieve. They envisioned a collaborative effort that would allow women to work together, gather contributions, educate members, and award grants that address the needs of women and children. A group of 100 women each pledged \$1,000 and became the founding members of the Women's Giving Circle. Their fund, held at the Eau Claire Community Foundation, has improved the lives of countless Eau Claire area women and children.
